I _____, do agree that I received a copy of the course syllabus for the class mentioned above. I understand the course requirements and that I am expected to attend all class meetings. I further understand that roll will be taken at every meeting and that ONE absence is permitted. Dr. Ybarra does not accept notes or explanations, and I must use my absence wisely. I understand that two absences will put my participation grade in jeopardy. I also recognize that **THREE absences result in automatically dropping me from the course or an F.**
